

Toys? A puppy? Super powers?

Some kids just wish for a day without fear.

It's something we take for granted, but for millions of abused children, a normal life is all they want. A life of happiness and hope. Together, we can make that wish come true.

Since 1984, In-N-Out Burger has been striving to make a difference in children's lives. Every year we dedicate National Child Abuse Prevention Month to a company-wide fundraising effort. It's our way of giving something back to the communities where we do business.

100% of your donations go directly to help abused and neglected children. In-N-Out pays all costs associated with the Foundation and will match every dollar collected with three dollars of our own, up to \$150,000.

Any amount you can give is greatly appreciated. Look for the donation cans in all of our stores. Or if you prefer, please send a check to:

The In-N-Out Burger Foundation / 13502 Hamburger Lane / Baldwin Park, CA 91706
626-813-8200 or 626-813-7301

Together we can provide hope and let kids dream big.
